

King of Kings

(Words & Music by Ruth Dunfield)

In ancient days the prophets foretold
The virgin birth of Christ Jesus our Lord
He would become the anointed One
The promised Savior in God's own Son

Emanuel - Messiah Lord - Jehovah God - The King of Kings

This Child was born in Bethlehem
And Lowly shepherds went to see Him
All of the heavenly angels came
To sweetly sing and praise His Name

Then wise men and Kings - brought gifts for the Lord
To honor the Babe and call Him King of Kings - ah

Bridge

Two thousand years have come and gone
When shepherds and kings went there with a song
He is the savior and many still sing
Proclaiming Him Lord and King of Kings - the King of Kings

All heaven and earth are watching Him
The Holy One born to save us from sin
He's coming back let the whole world sing
Praises to Him the King of Kings

Emanuel - Messiah Lord - Jehovah God - The King of Kings
